

NOMINATING COMMITTEE REPORT

The Nominating Committee of Terese Besso, Ray Egatz, Mark Granstrand and David Bowie hereby put forth Gary Hogue and Amy Scaturro for re-election to the Board of Governors, and Jill Sasso for re-election to the Board of Directors. Jill Sasso was up for re-election at the March 2026 Semi-Annual Membership Meeting, but the quorum requirement needed to vote was not satisfied.

Gary Hogue (Board of Governors)

I have lived in Packanack Lake for over 8 years now with my wife. We have two sons, ages 5 and 3. I earned a Bachelors in Accounting from Montclair State University and spent the first 9 years of my career in public accounting. For the last 12 years I've been working in commercial real estate, currently as a Vice President & Chief Accounting Officer of an investment management firm. I also currently serve on four non-profit Boards as the Treasurer, including the PLCA & PLAA. Once I had children and began to have an active role with lake activities, it became clear that I wanted to be involved as much as possible with this community. With my professional experience, I feel that I could continue to be a great fit on the Board of Governors and look forward to contributing towards the growth and sustainability of this community that we all love.

Amy Scaturro (Board of Governors)

My name is Amy Scaturro, and I am honored to be running for a second term on the Packanack Lake Board of Governors. My husband Dave and I have loved our 19 years here along with our three daughters who have grown up enjoying everything Packanack has to offer—from summer camp and youth sports to the many family and community events that make this neighborhood so special. As a family, we are members of the golf club, have participated in PLAA kickball and have coached in the lake's youth sports programs. My passion for building community through service has led me to become an active volunteer at Packanack Elementary School and now GW Middle School, where I serve as a committee chair and 2nd year PTO President. Serving on the Board during my first term has been an incredibly rewarding experience. As Board Secretary and a Club Chair, I've enjoyed working alongside dedicated volunteers and fellow board members to strengthen our community. I especially love planning events that bring neighbors together, including Trivia Night, Oktoberfest, the annual PLCA Calendar, and Spirit wear sales, all of which help build community while supporting fundraising efforts.

One of the accomplishments I am most proud of was chairing the Long-Range Planning Committee and helping lead the completion of Phase 1 of the Clubhouse Renovation Project. Refreshing and updating the main room of our nearly 100-year-old clubhouse was an exciting milestone, creating a more welcoming and functional gathering space for our members, while preserving the character of this cherished landmark. I remain committed to helping Packanack Lake continue to thrive as an active, welcoming, and vibrant community. I would be honored to continue serving alongside this outstanding Board for another three-year term, and I look forward to helping shape the future of Packanack Lake while preserving the traditions that make it such a special place to call home. Thank you for your continued support.

Jill Sasso (Board of Directors)

Myself and my family have had the absolute pleasure to live, work and raise our family in Packanack Lake for the past 16 years. I believe strongly in the sense of community and in investing/contributing to build and improve community and hopefully leave things just a little better than we found them. During this time, I have had the opportunity to contribute to our amazing community in a volunteer capacity through Mother's Club, PLAA, Boy Scouts, Tennis, Barbecue & Leisure Clubs. I sat on the PLCA Board of Governors for 7 years (4 yrs as Treasurer, 2 yrs as President and 1 yr appointed for Special Projects). I have also served one term on the Board of Directors. I have also volunteered outside our lake community as a soccer coach for the Wayne Boys & Girls Club Panthers and a rec basketball coach for Wayne PAL. I have also served on our Township Council and as Council Liaison to the Library Board of Trustees. Professionally, I have 30+ years in/around the Financial Services sector focusing on strategy, innovation and transformation. I'd welcome the opportunity to continue to support and contribute to our amazing community.
